

FINANCIAL AGREEMENT

Renewed Journey Counseling Services, LLC seeks to keep medical costs down by ensuring we are able to get reimbursed for our services on a timely basis. To help our office provide the most efficient and reasonable health care services, it is necessary for us to have a financial policy indicating our requirements for payment of services provided to our clients.

Structure and Cost of Sessions: Bariatric Assessments are completed in a single visit at the following fee: **\$145.00** for a **60-minute** assessment and paperwork fee (reference Ancillary Services charges). Should you want to proceed with additional treatment services, unless negotiated by your insurance carrier, your therapist agrees to provide psychotherapy at the following fee schedule: **\$145.00 for the initial assessment, \$115.00 for a 45-minute individual session, \$130.00 for a 60-minute individual session, and/or \$125.00 for a 60-minute family/couples session. The fee for each session will be due prior to the start of the session.** Cash, Visa, MasterCard, or Discover are acceptable for payment, and we will provide you with a receipt of payment. The receipt of payment may also be used as a statement for insurance if applicable to you. **Please note that insurances audit and will retract payment, making you fully liable, if they find the client ineligible at time of services, i.e. your employer indicates a termination date but services were paid to the provider after that date.**
